

NO IDLING

Young Lungs at Work

Take the **PLEDGE**

I hereby pledge to my child that I will improve air quality in my community and protect his/her health by turning my engine off when I am stopped for 30 seconds or more.

Great Reasons to Stop Idling

- It saves money
- It helps your health
- It's better for your car
- It reduces air pollution
- You set a good example
- It's easy
