Administrative Amendment

On December 17, 2010, the Department received a renewal State Only Operating Permit application for Quaker Sales Corporation / Northern Cambria Plant located in Susquehanna Township, Cambria County. On January 27, 2010, the Department determined the State Only Operating Permit renewal application was administratively complete. On December 9, 2013, the Department issued the State Only Operating Permit for the Northern Cambria Plant. The Department issued the operating permit with the incorrect mailing address. The correct address is P.O. Box 880, Johnstown, PA 15907. The Permit Contact Person is also being changed at this time to reflex Calvin Overdorff instead of John Penksa, who is actually the Inspector Contact. This Department initiated the Administrative Amended and no fee is required due to the typographical error.

On December 9, 2013, the notice of issuance was submitted to be published in the Pa Bulletin and is expected to be published on December 21, 2013. A notice of Administrative Amendment will be published in the Pa Bulletin in the near future. No other changes have been made to the operating permit. It is my recommendation that the issued State Only Operating Permit for Quaker Sales Corporation / Northern Cambria Plant, SOOP 11-00062, be administratively amended.
